#### Menorondum:

There was a mosting of the Tunya chapter, Dational States Bights Party, hold at Party headquarters in the Drew Park section of Tanya on the evening of December 6, 1983. Bight persons were in attendance, these being:

DETECT H. TAPT
ED PARETE
HWARTS TAYLOR
ET AND END. VEASET
ET. EXVIII
ALTON PULLTAN

A woman brought to the meeting by the VMLSEYE, shout 50 years of ago, said to have come to the meeting for introduction to TAIT, as a possible "girl friend"

The meeting consisted of general discussions.

TAYT stated that J. B. STUMEN is expected to be in Florida during the month of December, and will probably speak at the MSNP meeting at Tanpa on Friday night. December 13th. No requested that each person in attendance bring a friend to this meeting so that there will be good attendance next Friday.

TAPT predicted that, after STOWER makes a few speeches in Florida, and after NSBP groups are erganized in Plant City and Lakelind in the mear future, the HBRP as a whole will be at least ten times stronger that it now is.

TAIT esid that he is in process of writing a letter to the editor of one of the Tenya newspapers complaining about the fact that said newspaper has placed the blame for President KENDERY's accessimation on the "right wingers" instead of on the "left wingers".

There was discussion concerning the fact that President ECHNEDY was "no good", that President JOHNSON will be the same, and it was generally agreed that things will be "no good" until the 3rd Party (NSBV) moves in and elects some candidates.
